## ROB COHEN, CPA, CLTC

### LONG TERM CARE INSURANCE SPECIALIST

Rob's career in the long-term care industry has spanned over 25 years, from producer to national trainer to divisional vice-president for one of our industry's leading carriers. Still, at the end of the day Rob takes greatest satisfaction helping individual families, having been a first-hand caregiver himself to his own parents.

A leading voice in the industry, Rob has contributed to the development of both streamlined claims procedures and simplified insurance products. Thanks to his experience, the Pennsylvania State Senate requested his testimony as "subject-matter expert" on the topics of LTC awareness and the need for greater public-private cooperation. Most recently, Rob contributed his leadership to the industry's national "3in4 Need More" public awareness campaign.

One of the select fraternity who has completed a triathlon, Rob also claimed 1<sup>st</sup> place in an all-ages bike race—after turning 50. That race was particularly satisfying, as he'd raised several thousand dollars in support of Multiple Sclerosis.

Rob is blessed with three beautiful children who have chosen to live nearby. When not traveling or enjoying time with his family, Rob devotes himself to physical fitness.
